Vapormatic Hose Cutting Machine

Part No. VFM4061

Vapormatic has updated its quality hydraulic range with a new bench top operated machine for the precise and safe cutting of hydraulic hoses. This compact, robust tool is great for the workshop and operates within the current safety standards.

Features:

- 2.0kW 1 Phase Motor (*Other power options available*)
- 210mm x 30mm x 2.5mm steel blade (*included*)
- Adjustable screw in table pins allow for most suitable hose bend radius to ease cutting process
- Knife protection on both sides of blade

Benefits:

- Bench top machine designed for easy, safe and clean dust free cutting of hydraulic hose
- Suitable for workshop and mobile use
- Equipped with a brake, overheat protection and automatic restart protection

Technical Specifications

Dimensions in mm	540 (w) x 400 (d) x 330 (h) (with lever 735 (h))
Blade	210 x 30 x 2.5mm HSS
Electric Supply	230V, 50Hz, 1 Ph/ 2.0 kW, S 6-40%, 2.720 rpm
Weight	37 KG
